Booster Banquet Highlights

[We were happy to honor the River Road Congregation of New Port Richey, Florida this year. See last month's issue of the Harvesters for more details. On page four of this issue we have a letter from one of the elders of the congregation and some pictures taken during the proceedings. Editor]

October 23, 1999

Dearly beloved brothers and sisters,

We thank you so very much, all of you, for the great effort that was put forth in the planning and carrying out of the wonderful activities of the evening. (Thursday night Booster Banquet).

We were so thankful to be able to attend. It was grand also to see the school and the fine young students who are enrolled there. The young men were so very grateful to have learned of the true gospel of Christ, and they expressed their gratitude so humbly over and over. They were fine, gracious young men, and self-effacing and courteous to everyone. It was a joy to meet them.

We also felt enlightened about the school a little more than we had been before. Our thanks to the members of the Board, to Jackie Stearsman and his wife, and to all the teachers! Much wonderful thought and planning was evident. No small detail was overlooked!

Please extend our thanks to all who prepared and worked on the lovely banquet. It was splendid! The young students deserve much credit again; as they served the food so graciously, quietly and unobtrusively while the speakers were at the podium!

We were uplifted and felt we had received a treasure to our minds and hearts! May God continue to bless all of you richly in every good way.

We love you.
