Course Considerations:

1. Each student is expected to be in class on time at every session (see catalog, page 19).
2. Each student is expected to prepare for each class by reading the relevant material from the Bible, notes, and/or textbook.
3. There will be a test after each major section and a final exam.
4. Grading scale: 92 to 100 = A; 83 to 91 = B; 70 to 82 = C; 62 to 69 = D; 0 to 61 = F.
5. The final grade will be determined by test scores, memory verses, and textbook chapter outlines, with consideration given to attendance and class participation.

Course Objectives:

1. The Holy Spirit will be studied in light of His deity, His relationship to the Godhead, His personality, and His role in the plan of redemption.
 - a. Because people do not accept what the Bible teaches, much misunderstanding exists (both in and out of the brotherhood) concerning the Holy Spirit.
 - b. Therefore, primary emphasis will be placed upon what the Bible teaches, because it is the only infallible guide to properly understanding the Holy Spirit.
2. Each student is required to memorize;

Joel 2:28-32	John 14:15-17, 25-27	John 16:7-13
Luke 12:11-12	John 15:26-27	Romans 8:9-11
3. Each student is required to make a typed outline (double spaced) of the following chapters in *The Holy Spirit of God*:
 - a. Chapter 8: "Miracles Were the Gift of the Spirit in Acts 2:38" by Bobby Liddell (pages 109-120).

- b. Chapter 9: “The Spirit is the Gift of the Spirit in Acts 2:38” by Burt Groves (pages 121-130).
- c. Chapter 10: “Salvation is the Gift of the Spirit in Acts 2:38” by Marvin Weir (pages 131-144).
